Sir:

Attached are a duly executed Form SB/61 requesting revival of the above-identified application and a check for the revival fee.

The applicant was held to be abandoned because, in the request for an extension of time dated 17 May 2005, applicants' undersigned attorney inadvertently requested only a one-month extension whereas a two-month extension was needed.

Consequently, applicants have filed herewith a substitute request for a two-month extension of time accompanied by check No. 764 in the amount of \$165. This, plus the \$65 paid with the original request (check No. 728), constitutes the \$225 required for a two-month extension of time.

The Office Action for which applicants sought additional reply time was a restriction requirement mailed 24 February 2005. An appropriate response to that requirement entitled **RESPONSE TO RESTRICTION REQUIREMENT** was mailed to the Commissioner for Patents on 17 May 2005. That document and the **REQUEST** filed herewith constitute an appropriate and complete response to the 24 February 2005 Office Action.

Signed at Shelton, County of Mason, State of Washington, this 1st day of December 2005.

Respectfully Submitted,
Alexander Patton Janssen, Jr. et al.
